Dear Mr. Lopez,

Chaffey High School has competed in the Mt. Baldy League for over a decade. My fellow league high schools' dominance in sports is very obvious. It is not a matter of losing; it is a fact that for over a decade (three years in the current league configuration) Chaffey has been dominated.

The CIF data for competitive equity for the playoffs proves our case. With the exception of football, boys' soccer, and softball, Chaffey has consistently been ranked at the bottom of the league according to the CIF Mt. Baldy league data sheet.

The Cal Preps Rankings further prove our case for relief from the Mt. Baldy league:

Cal Preps Rankings 2016

- Chaffey High School: **-4.7**
- Alta Loma High School: **9.3**
- Colony High School: **24.2**
- Don Lugo High School: **21.9**
- Montclair High School: **-24.7**
- Ontario High School: **-10.1**

It is difficult for our students, staff, parents, and community to face these lopsided contests year after year. Therefore, Chaffey seeks relief from the Mt. Baldy league. It is our hope that we will be placed in a league where our students simply have an opportunity to compete.

Sincerely,
